

Farm Veterinary Solutions

Graduate Veterinary Surgeon

Applications now open for a graduate veterinary surgeon to join our busy farm practice

Our graduate development program is a structured 2-year, supportive, practical program, providing new graduate veterinary surgeons with the skills needed to grow and develop their own careers within our large animal practice.

Your 4.5 day working week will offer exposure to all aspects of large animal work.

You will have your own 'VetGDP' registered mentor to provide you with one-to-one support and advice, targeted practical goals and on-farm training with the whole farm team. Our monthly clinical club meetings provide additional training, as well as a chance to socialise with your colleagues.

On completion of your first year, you will be enrolled on to the XLVets graduate training program which consists of 56 hours of CPD over 8 days throughout the year, covering all aspects of clinical and professional skills.

If you would like to be part of an expanding, forward thinking, independent practice and work with a fantastic and supportive team, then we would love to hear from you.

In return we can offer:

- Competitive salary with a 4.5 day week
- 5 weeks pro rata holiday plus bank holidays
- Pension scheme
- Bonus scheme
- Free flu jabs and VDU eye care vouchers
- Employee assistance programme
- Enrolment on XL Vet Graduate Programme
- Support and mentorship
- RCVS fees paid and VDS cover provided
- Company vehicle if required

For further information or to submit your CV, please contact Max Hardy via email max@farmvetsolutions.com
