

Farm Veterinary Solutions

Bringing
like-minded
people
together

Smallholders
Club

Aims of the Club

- Gain and share knowledge
- Create a local network for like-minded people
- Promote 'prevention is better than cure'
- Practice new skills
- Advice on biosecurity and treatment

What's included in your membership

- Quarterly meetings
- Email updates of 'Small Talk' our electronic newsletter
- Half price in-house faecal egg count testing
- Dedicated Veterinary Surgeon and Vet Techs for advice
- Access to all Vet Tech services
- Opportunity to meet and share knowledge

Annual
membership fee
£50 + VAT

Our club provides
information evenings and
practical workshops for
those who may be new
to owning livestock or
want to improve their
knowledge and skill set.

Robyn Oram SQP
Vet Tech

Robyn graduated from Hartpury college in Gloucestershire in 2013 with a degree in Bio-Veterinary Science. She joined the practice in 2015 as a Veterinary Support Assistant before moving to the farm team in February 2016.

Robyn qualified as an SQP in 2018 and works alongside our farm vets as a Vet Tech.

Rebecca Davenport MRCVS
Veterinary Surgeon

Rebecca graduated from the university of Nottingham in 2014 and worked as a farm Veterinary Surgeon in West Sussex. After a brief interlude spent travelling in America and Canada, she joined our practice as a mixed veterinary surgeon in January 2017.

Rebecca has a key interest in sheep medicine along with flock health and now has a small flock of her own.
